## **STRAX # 4**

### **Performances, declamations, video and music**

On this yearly event you can enjoy performances, declamations and music by various artists from Assen, Groningen and Rotterdam. For example Diederick Cock, in Assen known as designer of furniture, who in an inner cirkel is famous as a virtuoso on the guitar. Or Jantine Wijnja who presents, in cooperation with the Grand Theatre in Groningen, the premiere of her performance Mind Radio, for which she recently paid a research-visit to Las Vegas. On Saturday there will be the Naaldbergtrio with contemporary experimental music and of which Hans Visser took care of the music for Different Trains on the Noorderzon Festival in Groningen. Also the currently very successful singer-songwriterformation Tangarine from Assen will be present.

De performances in the Gouverneurstuin will take place in the scope of the Drentse Culturele Utdag on the very same september the 15th. De radio broadcast by Jantine Wijnja at Radio Assen FM can locally be received at 105,5 cable, 107,8 on air or livestream at [www.assenfm.nl](http://www.assenfm.nl). The remaining presentations will take place on a theatre stage next to the DeFKa building. The performances are free of charge.

Saturdayafternoon at 3.30 pm the exhibition 'De Wereld is een Werkwoord' will be opened. In this exhibition, until september 23d, theatre will also hold a prominent position.
